

Nutra Disc® supports the body's natural responses to maintain good joint health and supports healing after tissue injury.†

The unique Nutra Disc® formulation contains Meriva®, a unique curcumin extract that is highly absorbable and supports a healthy inflammatory response.† Nutra Disc® also provides a custom blend of enzymes which reduce excessive fibrin deposition, facilitate healing, and help reduce inflammation.†

Glucosamine and chondroitin are included as well, working synergistically to stimulate the synthesis of new cartilage and strengthening the body's natural repair mechanism.†

Meriva® Bioavailable Curcumin has been developed from Indena S.p.A. Phytosome Technology.

Serrazimes® has been developed by National Enzyme Company.
